⚫ *johndoe*
Nationality: Indian

Education

2024–2027 | **BSc in Computer Science**, *Gisma University of Applied Sciences*, Berlin, Germany
Expected graduation in 2027.

Technical Skills

Languages	Python, Java, JavaScript, HTML/CSS
Frameworks	React, Node.js, Bootstrap
Tools	Git, GitHub, LaTeX, Visual Studio Code

Projects

2025 — Library Management System

Developed a command-line based library management system using object-oriented programming in Python. Implemented features such as adding books and members, borrowing and returning books, and real-time status tracking. Designed classes for Book, Member, and Library with encapsulated behavior, demonstrating solid understanding of class interactions and data handling.

2024 — Voice Assistant

Developed a voice assistant Using Different Modules of Python, which recognizes the voice of the user and gives real-time results(Temperature, Weather, etc). Also, won 2nd prize in the competition: https://github.com/johndoe/portfolio
